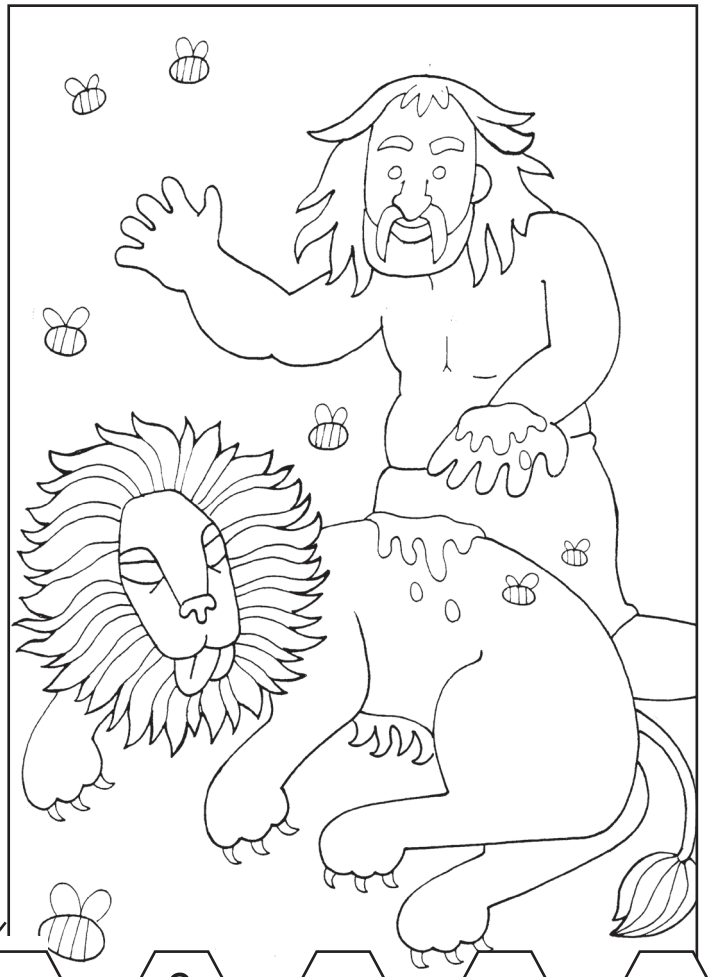
Samson

Spot the Difference

Can you find ten differences between the two pictures of Samson and the lion?



Honey Trail

Starting at the arrow, track through the letters to find what Samson said in answer to the riddle.

There are 2 sentences. Start at the arrow twice and use the first few letters twice.

You can only move to a hexagon whose sides meet.

W	?	E	N	R
H	Y	H	T	
E	A	N	A	E
G	I	O	H	
R	T	S	W	T
N	R	S	E	
T	O	T		E
A	A	I	N	
H	N	L	O	?

Draw a bee in the empty cell.

Did you know?- Honey bees need nectar from two million flowers to make one pound of honey.
