Now something harder ...

During their journey, God was with the Israelites. They could see his presence in the pillar of cloud or fire. Today we can't see God, but we know that he is with us all the time.

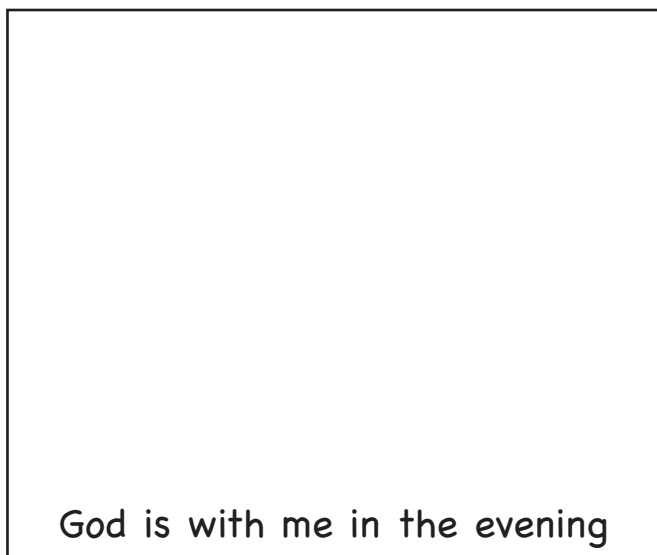

Draw some things you do at different times of the day, and remember that God is with you all the time.

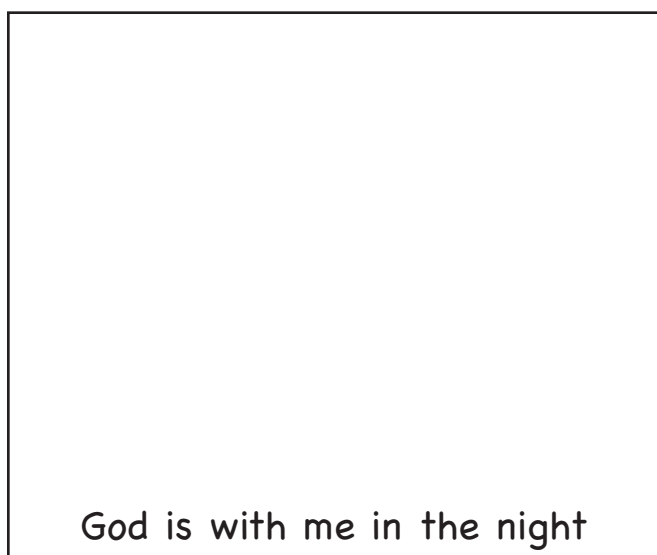

God is with me in the morning

God is with me in the afternoon

God is with me in the evening

God is with me in the night
