

When Samuel's mother and father came to visit him, they were all very happy. What do you think they have brought Samuel this year? What do you think Samuel told them?

Now something harder...

God is pleased with us when we serve him.

Colour in the boxes that tell us what God would be pleased to see us do.

Say 'please'
and 'thank you'

Say 'sorry' when
we do
something
wrong

Going to places
we have been
told not to

Not doing as
we are told

Being unkind to
our school
friends

Remember to
pray to God

Write in the boxes what else God would be pleased to see us do.
