

Draw some food in the picnic basket ready for the long journey.

Help Mary and Joseph walk through Jerusalem and find young Jesus.

## Now something harder...

Choose the right word to go in the story of Jesus when he was a boy.

Mary and [Jacob/Joseph] once thought that Jesus was lost.

The family went a [long/short] way to [Jerusalem/Jericho] to worship God at the Temple.

A lot of [cars/people] would be going at that time because it was a special celebration.

When [Mary/Martha] and Joseph packed up for the journey back to [Bethlehem/Nazareth] they thought that Jesus was with the other children.

But [Joshua/Jesus] was not with the other children, and by the time his parents realised it they were a day's journey away.

Mary and Joseph spent the next [day/week] going back and on the third day searched through Jerusalem.

They found Jesus in the [shops/temple].
