

Father
forgive
them

This is a large maze activity. The maze path starts at the bottom left and winds through various scenes: a man at a table, a man in a long robe, a man being crowned with thorns, a man being whipped, a man carrying a cross, and a man on the cross. At the top of the maze is a speech bubble containing the text "Father forgive them".

Now something harder...

Colour the things Jesus did. Cross out the things he didn't do.

made a
fuss

thought about
his friends

did what
God wanted

ran away

waited
patiently

forgave the
people

hit a soldier

prayed
