..... the Jezreelite had a vineyard next to the palace of the King.

..... said to, "Give me your vineyard, and I will give you a better one, or the money for it".

..... said, "It is my inheritance. I could not give it to you".

..... went away very sad and would not eat anything.

..... his wife asked him, "What's the matter?"

He explained, will not give me his vineyard".

..... told him not to be sad, "after all, you are the King, and able to do anything", she said.

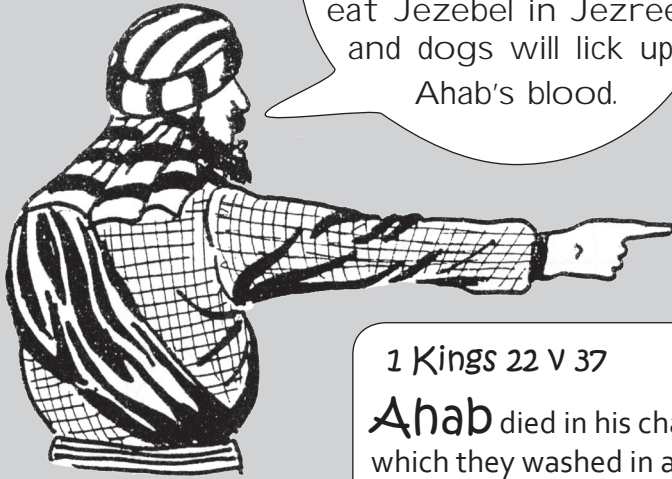

..... wrote letters on King 's behalf to all of the

The plan was to conspire against, and accuse him of blaspheming against and the King, and so to stone him to death as punishment.

This was what happened, and the reported back to that was dead. told king to take the vineyard because had now gone.

So he took it. was told by to go and tell that the place where

..... died would be the place where he and his wife would die also, because of the wicked things they had done.

Elijah said to Ahab

Because you are so wicked God is going to bring disaster on your family. Dogs will eat Jezebel in Jezreel and dogs will lick up Ahab's blood.
