very carefully, and you will find 10 words that have been jumbled up. Can you find them and write what they should be ?

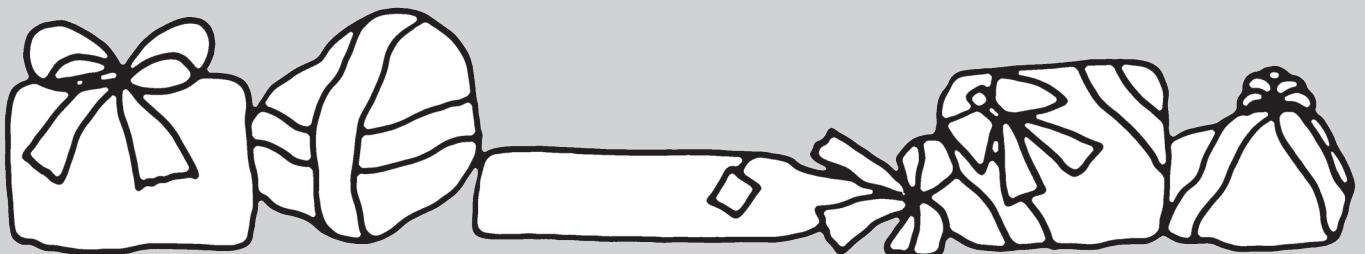

Wise men from the east came to visit Jesus. They asked "where is the one who has been born King of the Jews? We saw his stars in the east and have come to worship him."

King Herod told the wise men to come and tell him when they had found Jesus. He said he wanted to kill them, but really he wanted to know them.

The wise men took gifts of gold, frankincense and myrror to Jesus, and then God told them in a dream not to go back to Herod so they went to their journey another way.

What can we give him?
