

# Blind Bartimaeus

Here are some pictures of things that Bartimaeus would have seen for the first time. Inside each picture there are the letters of two mixed-up words. Try to **unjumble the words** and then look for them in the **wordsearch**. All the words are from the story.

## Some readings for next week:

|           |            |              |
|-----------|------------|--------------|
| Sunday    | Mark 10    | verses 46-52 |
| Monday    | Mark 5     | verses 22-26 |
| Tuesday   | Matthew 9  | verses 27-31 |
| Wednesday | John 9     | verses 6-7   |
| Thursday  | Matthew 23 | verses 23-24 |
| Friday    | 2 Peter 1  | verses 5-6,9 |
| Saturday  | Isaiah     | verses 5-7   |

Notice the different ways Jesus healed blind people. In the readings for Thursday and Friday, see if you can understand what Jesus and Peter meant by being 'blind'. Saturday's reading is about what it will be like when Jesus comes back.

## You will need:

1. Sheet of coarse sand paper
2. Knitting wool - different colours

Build up the face of Bartimaeus using different coloured wools. You should find that the wool will stick well to the sand paper, but it can also be easily rearranged to change the eyes and mouth to go with the story.
