

Jesus' ascension

Here are two of Jesus' disciples. Write what you think they may have said to each other after they saw Jesus go into heaven.

A code - work out what the disciples were told

Key:

Through the day

Here is some guidance for Jesus' disciples. Look up these verses and think how they might help you through a day. If you think some of the verses would help you in these situations, write the numbers in the thought bubbles.

1. Matthew 22 v 37 Love
2. Matthew 22 v 39 Love
3. Mark 16 v 15 Go into all the world and
4. 1 Thessalonians 5 v 17
5. 1 Thessalonians 5 v 18
6. 1 John 1 v 9

As you wake up you wonder what you are going to do about the school bully.

At breakfast your sister talks about a neighbour who is ill. You could do her shopping.

At school they are laughing about people who read the Bible. You could say you read it.

Someone asks you why you go to Sunday School.

As you are going to sleep you think about the sort of day you have had.

You walk in the park, have fun with a dog, feel the wind and see the trees and flowers.

There is someone in your class who has no friends. You could ask him to join you.
