What did the disciples realise about what Jesus had taught them during this time?

Why do you think they had not understood before?

How do you think they felt about the future, at this point?

Do you always understand what you are reading in the Bible?

What do you do if you come across something you need help with?

Does it matter that you don't know every answer?

What does matter about reading the Bible?

Digging Deeper

Back to Genesis

Do you remember some of the very first promises made in the Bible?

Look at Genesis 3:19

What does the second half of the verse mean? Did it just apply to Adam?

Genesis 3:15

This verse is really a little parable. Can you explain it?

What had happened that caused God to promise these things?

What do you think Peter meant in Acts 2:24 about why God raised Jesus from the dead?

Romans 6:1-4 has another little parable. Can you say what baptism is like?

1 Corinthians 15:20-23 has yet another parable. What is Jesus described as? If there is the first of anything what does that imply? (The idea of death being like sowing a seed is carried on in verse 35 if you want to study it further).

Help me to do everything I can to please you.
