What do you think it was like for the members of the newly formed church? The early disciples had nothing to follow other than the words of Jesus. Read Acts 2:42-47, and identify some of the ways they lived - some of them are illustrated for you. Use the space to draw or note down other details of the life they lived.

What do you think it would have been like to have been there at the day of Pentecost? (think back to last week's lesson) Pretend you were there, and describe it to a friend.

How many ways of sharing fellowship have you seen people showing?

Which do you think are the more important ones?

In what way have aspects of fellowship changed since the first disciples?

Why have the changes happened?

Write an acrostic poem about fellowship

Digging Deeper

How many people were baptised as a result of the disciples speaking in different languages and Peter's speech?

(Acts 2:41)

And what happened as time went on? (v47)

How many believers were there by Acts 4:4?

Some surprising people were baptised later. Who were they? (Acts 6:7)

What was the main reason they were baptised? (Acts 2:36-38)

Do you think they understood what it meant or do you think they were carried along by the crowd? (Remember they were Jews who knew their scriptures)

Thank God that he offers you the fellowship of others who are trying to serve God.
