

Now something harder ...

Fit the words into the squares. (start with the f, h and w and count the number of letters in the words) The letters in heavy squares will fit into the smaller squares below to make a sentence. (3 have been done to help you)

axe  
saw  
tar  
God  
boat  
rain  
huge  
door  
nails  
trees  
flood  
family  
hammer  
window
