

Cut out the picture and the long strip with the figure of Jesus. Cut the slits and feed the strip through, so that the figure of Jesus can be raised into the clouds.

Now something harder ...

## What can we do for Jesus?

Jesus asked the disciples to do a very special job - to tell people all about Jesus and that he is coming back! The disciples also had to set a good example to others to show people the sort of life Jesus wants us to live.

Today we should try to do those same jobs for Jesus. Think about how you will do them - make a list for yourself.

Write the name of someone you could tell that Jesus is coming back?

How do you know Jesus is coming back?

How can you show people the sort of life Jesus wants everyone to live?

Write some kind things you could do for someone.

---

Reading for next week:

Luke 4:14-22
