

Now something harder ...

God used the plagues to show Pharaoh his power. He wanted everyone to know that he is the true God, and that he can save his people.

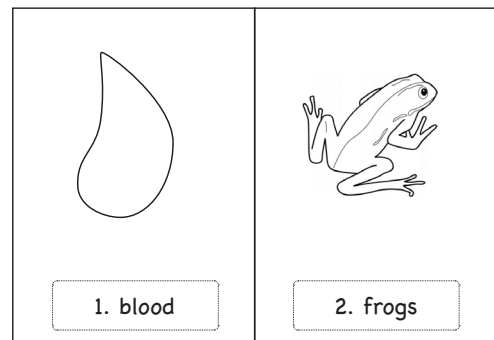

Make a little book from 3 sheets of paper, folded like this, and write the title on the front.

Now cut out the names of the plagues from this sheet and stick them at the bottom of each page, like the ones in the picture below. Remember to get them in the right order!

Now you can draw your own pictures.

1. blood	2. frogs
3. lice	4. flies
5. sick cows	6. boils
7. hail	8. locusts
9. darkness	10. firstborn
