

Draw Bartimaeus' opened eyes and his smile

Make a picture that a blind person can feel - use things like straw and string.

Thank you God that I can see

Now something harder ...

What do you need your eyes for? Make a list of things you couldn't do without them.

Write your own prayer thanking God for the things you can see and do with your eyes

---

Reading for next week:

Mark 10 v 46-52
