

God and his son Jesus can see  
us everywhere

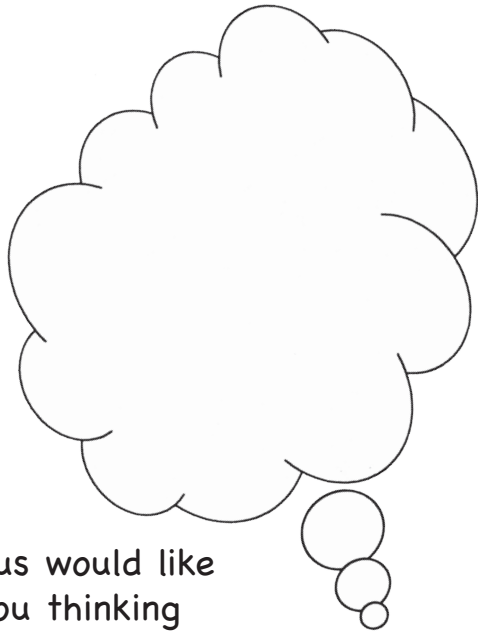

God and his son Jesus can hear  
us everywhere

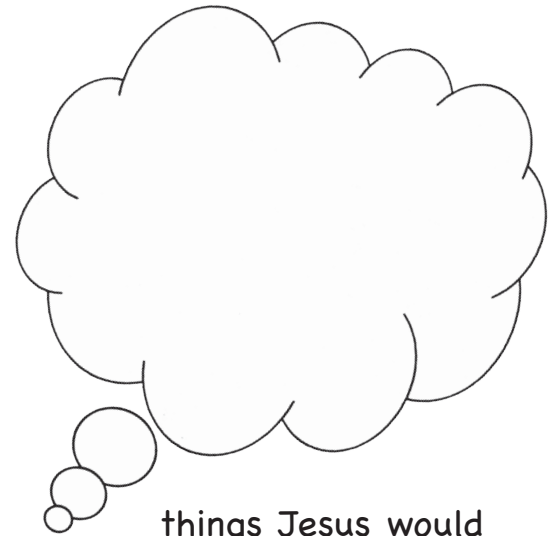

Now something harder ...

Jesus knows what we are thinking all the time. We can even pray in our head and know that God and Jesus can hear!

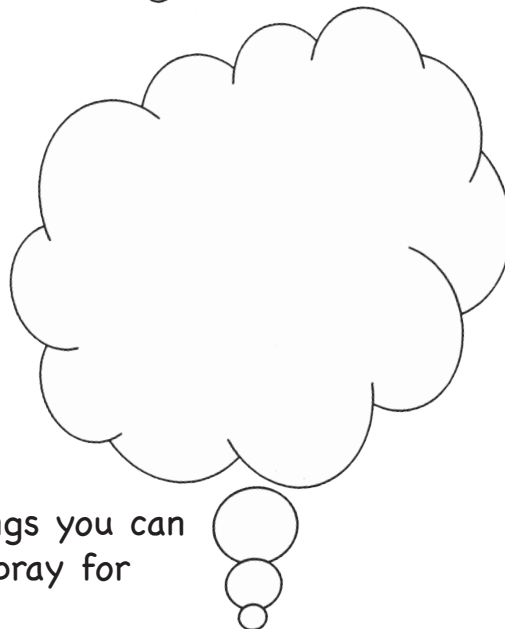

Use the three thinking bubbles to draw or write ...

things Jesus would like  
to see you thinking

things Jesus would  
not like to see you  
thinking

things you can  
pray for
