

Highlight the things below that Solomon needed for building the temple and then fit them into the acrostic. Read downwards to find out what the finished temple was like.

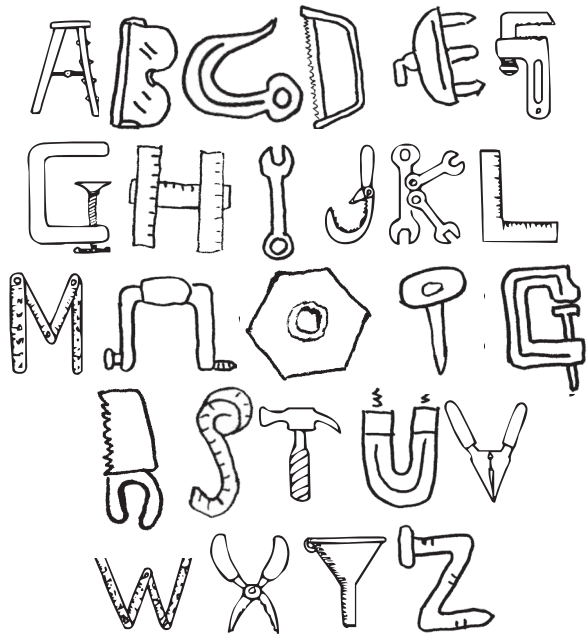

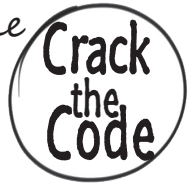

gold, soldiers, olive oil, cedar wood,  
 plastic bags, electric drills, stone masons,  
 engravers, policemen, skilled men,  
 bridesmaids, farm workers, fabrics,  
 carpenters, mobile phones,  
 precious stones, plans,  
 nurses, shepherds,  
 embroiderers,

What was the temple like? \_\_\_\_\_

Do you know your tools? If so you will be able to crack the code to work out what the people were saying when the temple was completed. (You might be able to work it out even if you are unsure of a few tools!)
