

What lesson did God want Jonah to learn? Follow the trail to find out.

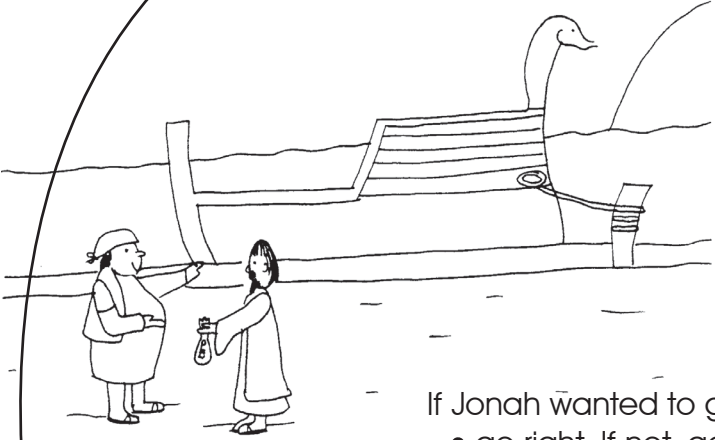

**Trail Finder**

In space 6, write the first letter of the place Jonah paid to go to.

Start here

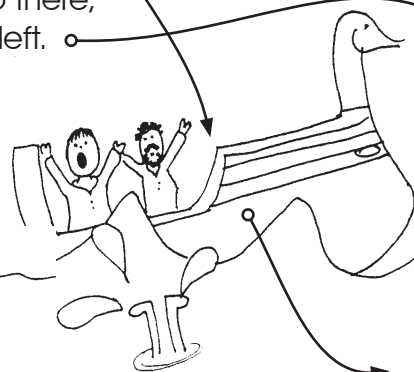

In spaces 5 and 8 write the first letter of the place God asked Jonah to go to.

If Jonah wanted to go there, go right. If not, go left.

In space 3 write the third letter of the port Jonah went to instead.

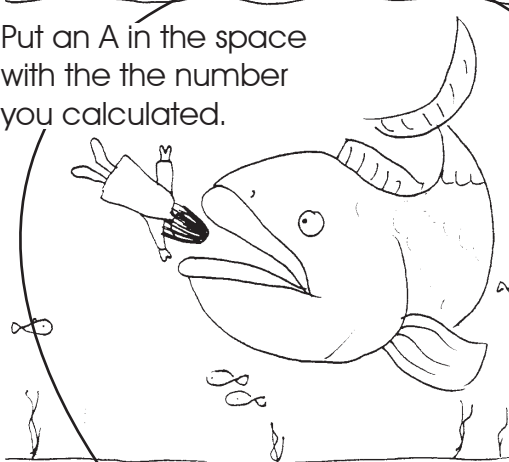

Check the story and try again.

Put an A in the space with the the number you calculated.

Add together the number of days Jonah was in the fish and the number of days it took to walk through Nineveh. Then add the number of plants which grew to shelter Jonah.

If the sailors tossed a coin to see what to do with Jonah, go up. If not go left.

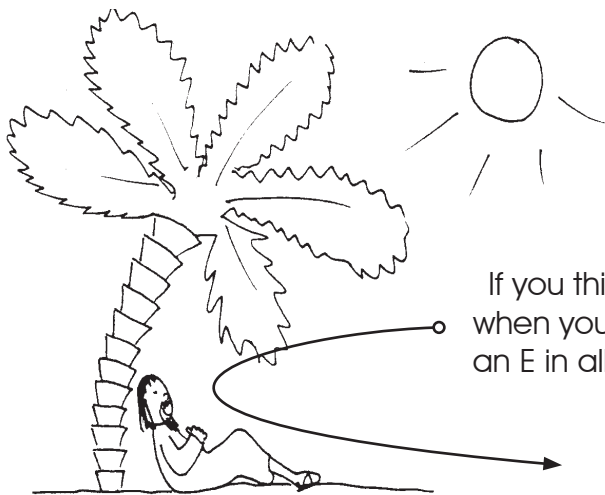

If Jonah eventually went to Nineveh, put an R in space 1.

In space 9, write the first letter of the word that best describes how Jonah felt when the people repented.  
happy/relieved/cross

If you think it's good to feel sorry when you have done wrong, write an E in all the spaces that are left.
