

Copy the grain ship using the grid. You could then add a stormy sea and sky, draw anchor chains and tackle being thrown out.

Drawing

Good Idea?

Good idea or bad idea? Draw a line to the alien to the left or right depending on whether you think the idea was good or bad.

The centurion decided to try to reach Phoenix.

Paul said 'Keep up your courage because no lives will be lost.'

Some sailors tried to get off the ship by lowering a boat into the sea.

Paul said they should have something to eat.

The soldiers wanted to kill the prisoners.
