

6 The Gospel - Throughout Scripture

How much did people understand in Old Testament times?

Last week you will have identified key elements of the gospel. Looking at the summary you wrote, how much of this do you think was understood by faithful men and women in the Old Testament? Think about these three situations (and any others if you want). If last week you noted other points, as well as the eight above, check to see whether people understood them in Old Testament times. If not, how important do you think they are?

In Eden
